

# Wireframe Document

---

## Purpose

To show how each UI screen is laid out for different roles.

## Tools You Can Use

Figma, Balsamiq, draw.io or paper sketches (scanned).

## Pages to Include

- Login Page: Fields - Email, Password; Buttons - Login, Forgot Password
- Student Dashboard: View appointments, Book appointment, Messaging
- Teacher Dashboard: View/Approve appointments, Chat with students
- Admin Dashboard: Approve users, Manage teachers/admins, View logs

## Wireframe Notes

- Consistent navbar at top with logout.
- Sidebar differs by role.
- Modal popups for creating/editing appointments.
